AGATHA'S MYSTERY ^(A,E,N) 88 1900's biggest "detective novel"/"murder mystery" in history. Aghata Christie went missing for 11 days. Whaaat? She was then found to be enjoying a staycation at a hotel under a fake name. Doctors claimed she suffered a complete memory loss while other claimed it was revenge against her cheating husband or a PR stunt promoting her new novel. Ready for some detective work? Guess the ingredients correct, and the nex one is on us!	GIN BATHTUB ^(A) 289 People used to make gin in the bath tub. They just threw the high volume spirit in the bath tub, got some ingredients and infused it with the gin. This process often led to many deaths and poisoning as the real needed ingredients were not easy to get so the people used all kind of things just to cover the terrible taste of high volume alcohol. By 1723, the death rate in London had outstripped the birth rate, mostly due to the consumption of gin. However, nowadays, gin started to become a classier and a more respectable, well-made spirit. gin citrus chamomile cucumber basil.
ELTON GIN ^(A,E) 104 Elton John had more than a monarchy, he had the world and it rocked. Elton John's glasses are iconic and recognized by the world. Try them on and enjoy the cocktail! gin elderflower yuzu beetroot pomegranate thyme rose. 	MALT MONKEYS ^(A,D,C) 109 The long process of turning barley by hand inevitably took its toll on Scotland's malt men. After long shifts of constant manual flipping they were susceptible to a condition which caused one arm to hang down just a little; they called this monkey shoulder. monkey shoulder espresso vanilla oreo
	WATERMELON GIN ^(A) 99 hendrick's red bull watermelon lemon cordial

WHISKY EXPERIENCE

TRY ALL 5 FOR 345 AED

DOWN PAST ISLAY ^(E,A) 79 In general, the whiskies from this island are known for smoky flavor, with just a hint of salty sea air and seaweed" because of the use of peat and the maritime climate. whisky infused with lapsang souchong, bitters with a sweet and sour mix.	SPIRIT OF SPEYSIDE ^(N,A) 79 The use of peat is not common here, so many of the whiskies are not "smoky". Typically, most Speyside whisky is sweet and fruity, featuring notes of vanilla. whisky infused with banana, roasted buckwheat and creme de banana.
HEAD HELD HIGHLAND ^(A,ST) 79 From lighter whiskies all the way through salty coastal malts, the Highlands offers a Scotch for all palates. Highland whiskies are full of robust and rich flavor. whisky infused with mix berries, red cabbage, sweet vermouth, maraschino liqueur and bitters.	LOWLANDER ^(H,A) 79 Soft and smooth malts are characteristic of the region, offering a gentle, reminiscent of grass, cream, toffee and toasty flavor. whisky infused with honey and thyme balanced with caramel notes.
UISCE BEATHA ^(N,A) 79 Fruity and nutty, the nose holds notes of spice, and the tiniest hint of smoke (not at all like a peaty scotch it's just a whisper). As the bouquet develops you find some cacao and oak, which both carry over heavily into the taste. whisky infused with roasted almonds and roasted hazelnuts, crème de cacao & maple syrup.
